

# Which H.A.R.T. Team will you Join?

H.A.R.T teams are comprised of 6 different team members, Pilots (1), Mechanics (2), Veternarians (3), Medics (4), Radio Operators (5) and Scientists (6). Each team (in both Primary and Secondary teams) must also have an Animal Agent (Green) and a Rookie Agent(Red), regardless of what position they hold.

As a Rookie Scientist (Red 6), can you figure out which teams you will be placed on?

## PRIMARY TEAMS

Alpha Bravo Charlie Delta Echo Foxtrot

## ALTERNATE TEAMS

|        |   |   |   |   |   |   |
|--------|---|---|---|---|---|---|
| Hotel  | 1 | 2 | 3 | 4 | 5 | 6 |
| India  | 2 | 4 |   |   | 1 |   |
| Juliet | 3 |   | 2 |   |   | 5 |
| Kilo   | 4 |   |   |   | 3 |   |
| Lima   | 5 |   |   | 1 |   | 2 |
| Mike   | 6 |   | 1 |   | 2 |   |

|                     |   |   |   |   |   |   |   |
|---------------------|---|---|---|---|---|---|---|
| Available Teammates | 1 | 2 | 3 | 4 | 5 | 6 | 6 |
|                     | 1 |   | 3 | 4 | 5 | 6 |   |
|                     |   |   | 3 | 4 | 5 | 6 |   |

Enter your two word answer in all caps with no spaces starting with your Primary team and followed by your Alternate Team at [delaportebrainbuster.com/yourmission](http://delaportebrainbuster.com/yourmission)
