

Hey! I'm ordering pizza, what does everyone want?

Kali
BACON!

Taylor
I don't care what's on it, as long as there is some sort of green present and NO gluten free crust...

Joy
yay!!!!!!! i want anything with bacon on it and a garlic crust pretty pretty please!!!

Heidi
Personally, I'm craving shrimp

Rachel
OMG Same!! Can it also have some mushrooms on it??

Arin
Can at least one of them be gluten free and vegetarian?

Sam
1 Pineapple and Pepper pie please!

Dorie
Can we get some of that stuffed crust?? And shrimp sounds so good right now!

Regan
No way, the garlic crust is so much better! and can I get a little spinach on there too?
